Scottish Student Sport

NCLSA are looking to actively be more involved with Scottish Student Sport over the next coming year.

A meeting has yet to be scheduled, ideally we are looking to meet with Scottish Student Sport at some point this month.

Volunteer Week

We had our Annual Volunteer Event. The Event kicked off on 27th March until 29th March across all of our 3 main campuses, the event was well attended and once again proved popular with our students.

The organisations that we had in attendance were VANL, SAMH, Carers Together, Guide Dogs and many more.

LGBT Week

NCLSA recently held an LGBT Event across all 3 campuses, the idea of the event was to promote equality, inclusion for LGBT Students.

We had a mix of all different LGBT Organisations in attendance from SAMH, Scottish Trans, LGBT Youth are just a few to name.

NCLSA also had a stall where we had designed an LGBT Interactive board. We had a list of all LGBT Organisations for students to contact, we also had LGBT Flags where students had to identify which flags were right and we created our very own LGBT Person as we wanted to get an insight into how students see an LGBT Person, from this we got a lot of great information.

NCLSA handed our rainbow laces to students. The event proved to be very popular.

NUS National Conference

NCLSA sent two of our Volunteer Officers to this year's NUS National Conference, Minahil Nawaz and Caitlin Anderson both Students from our Motherwell Campus. Our Volunteer Officers attended the two days, they enjoyed the conference and found it exciting, fresh, interesting and dynamic.

Student Survey

NCLSA has actively been engaging with students across all campuses during break and lunch times, encouraging them to complete the latest survey as it's important to have our students voices heard.

We have been promoting the latest survey via our social media platforms.

LGBT Focus Group.

NCLSA are currently looking at setting up an LGBT Focus Group for next year, as the results we collated from students during our LGBT Event proved to be a popular ask.

Student Elections.

NCLSA recently held our Student Elections to elect our new Sabbatical team, this year we had the most candidates running, this year's candidates were the most diverse and we also had our first ever supported learner running this year.

This year students could once again cast their votes on Moodle, we had a total of 1,001 votes cast.

Social Media

Students engaging with our SA Social Media are continuing to rise with our followers increasing to

1633 at the time of writing this report. Our Twitter interaction and following has increased greatly over the year also. The SA always keeps their Social Media up to date as much as possible.

Student Magazine

The second issue of our student magazine is now available for our students to read across all campuses, NCLSA are currently issuing these magazines to all students in our student area.
