

FLEXIBLE WORKFORCE DEVELOPMENT FUND – COURSE OUTLINE

Programme Title

IOSH Working Safely

Overview

This course will provide learners with the knowledge, skills and competence to recognise common causes of accidents and ill health in the workplace and introduce them to the legal aspects of occupational health and safety.

Programme Objectives

Upon successful completion of the course learners will have an understanding of:

- Working safely
- Defining hazard and risk
- Identifying common hazards
- Improving safety performance
- Protecting our environment

(NB these objectives will be used to measure learner's existing knowledge in this area prior to commencement of training and upon completion of training as evidence of distance travelled)
