Format

- Online launch of the elections via social media, student email, MyDay and text message
- All information will be uploaded to a dedicated webpage on our website that all students will be able to gain access to
- We will have key dates, job roles and descriptions and a how to guide on how to nominate
- Candidates will submit video nominations to elections@nclan.ac.uk where they will be reviewed and then published online for all students to see (alternative options are available for those who are not able to produce video)
- During the campaign period, each day there will be content going out on social platforms to promote each candidate and their agenda/aspirations
- Voting will take place via Moodle where students will log on and find information on each candidate and each student will place three votes: one for each president position
- Have a meet your presidents live on Facebook or Instagram story
